O R D E R

The Attorney General ("AG"), by and through his Utility and Rate Intervention Division, submitted a motion to establish a separate complaint proceeding on November 8, 1993 for the purpose of allowing the ratepayers of Lakewood Valley Sewer Company, Inc. ("Lakewood Valley") an opportunity to have their concerns about the service they receive from Lakewood Valley addressed. Mr. Richard Van Horne, a Lakewood Valley ratepayer and an Intervenor in the above-styled rate increase application, filed a complaint against Lakewood Valley on November 3, 1993, Case No. 93-423.¹ An unnecessary duplication of efforts would result if the Commission were to establish another case as the AG requests. The AG, and any ratepayer or other interested individual or entity, may intervene in Case No. 93-423 upon written motion to the Commission.

IT IS THEREFORE ORDERED that the AG's motion be and hereby is denied.
